Fall 2019 Hiring Campaign

Thank you for your interest in working at Heather! Presently, we are looking for people to fill year-round, part-time sales associate positions. Candidates for these positions should be ready to start work no later than the beginning of October 2019.

The sales associate positions are the "face" of our company, and are usually the first person in the shop our customers see. So, we consider it to be **the** most important job in the shop. As such, it is very important to us that you are comfortable meeting and interacting with customers from every walk of life.

As a sales associate your primary responsibility will be helping customers and ringing up their purchases. However, you will be expected to perform a variety of other duties as required.

Please complete the following and return to Heather as soon as possible. We look forward to hearing from you. Thank you!

Today's Date _____

Your Full Name _____

Are you a citizen of the United States? Yes _____ No _____

How would you like us to contact you? (phone, cell, email, text, etc.)

Highest education level completed _____

Are you currently employed? Yes _____ No _____
